1 January 2008

Dear 2nd Infantry Division Veteran:

I was honored to be elected president of the 2nd (Indian Head) Division Association at our 2007 reunion. One of my primary goals is to increase our membership, particularly from among those Soldiers who served with the division in Korea on or near the Demilitarized Zone (DMZ) from 1965 to the present.

As you know, the veterans of World War II and the Korean War, who now comprise some 80% of our membership, are leaving us at a rapid rate. For our Association to survive, younger veterans of our great division must assume more active roles in the Association.

I encourage you to participate by:

- Attending our reunions.
- Recruiting other 2nd Infantry Division veterans from your era to join the Association.
- Writing to your local newspaper to ask the editor to publish notices about our reunions and press releases about its other activities.
- Supporting our scholarship and memorial funds.
- Volunteering to serve on a committee.

One of our other vital needs is a Secretary-Treasurer. Bill Creech, who is a WWII Warrior, has served in that position for 20 years and has asked to be replaced. This is a great opportunity for a Warrior to regain contact with friends with whom you may have lost contact and meet new people to establish friendships. Please let me know if you are interested or if you know someone who would serve us well.

Thank you for your service in our great division. Please send me your ideas on how we can recruit more DMZ era veterans as well as improve our organization. I look forward to hearing from you and to meeting you at an Association event this year.

Sincerely,

Jack D. Woodall
